### **AMERICAN BANK OFFERS FINANCIAL ASSISTANCE TO IMPACTED CLIENTS**

**(CUBA CITY, WI)** – American Bank and Trust is now offering financial assistance to clients who are impacted by uncontrollable events or disasters.

As the government shutdown continues, both government employees and private citizens are increasingly exposed to potential hardships, including those who receive benefits such in the form of food stamps, housing assistance, and more.

American Bank lenders will provide options for special loan packages and/or deferred payments. To offer additional support, service fees will also be reviewed for those clients affected by hardship.

“We at American Bank & Trust want to do our part to help those that are affected by uncontrollable circumstances like the Government shut down. We empathize with the individuals and families in our communities who depend on federal funding for their livelihood. Our bankers are prepared to help our affected clients work through their challenges—on an individual basis—until government paychecks and support services are restored,” said Kevin Raisbeck.

For complete details, clients should call American Bank in Cuba City at 608.744.2125, in Hazel Green at 608.854.2251, in Platteville at 608.348.4305 and in Lancaster at 608.723.5678 or Fennimore at 608.822.7300.
